In this trip I really enjoyed it, it was an unforgettable experience. One of the experiences is I went to Surfers Paradise beach in Gold Coast. The beach is different from Hong Kong's; the sand is softer and the water is much clearer than Hong Kong's. My classmates were so crazy that their whole body were wet. They also threw sand at each other. The beach was so fun. The other one is I went to Currumbin Wildlife Sanctuary. I saw lots of Australian animals, like koalas, kangaroos, crocodiles and different birds as well. I also hopped on the train to have a whole view of it.

I really liked Australia because it is more free and have more space. It is peaceful and not like Hong Kong this noisy city.

I learnt that we should know how to take care of ourselves because there are no close people in a faraway place to take care of us so we have to be independent.

Thank
You :)
