I feel very memorable this trip because we went to a lot of different places. My favorite place is the Gold Coast because we can play with water and sand and also shopping near Gold Coast. It's very interesting. I love that day.

I enjoyed this trip because Australia is a very beautiful place. I enjoyed looking the view.

In this trip we also had many memorable moments. When I first met my buddy, I was glad. That's memorable, I won't forget my buddy.

I am not willing to leave Australia because Australia is a great place. If I can come Australia again, I will be delighted. I love Australia this wonderful place.

Thank
You:)
