cm

9-14 kg

♥ food: 
eucalypt leaves

♥ sleep:
most of the day
X: winter

: Eastern Australia

Habitat: Eucalypt
forest,
Woodland

I think koala is a cute animal 😊. Koala is friendly to people. It love giving hug to people and it sleep most of the time! It is a lazy animal! It looks like bear 🐻 To me koala is represent Australia. When people talk about Australia animal I must think about koala! 🥰
