My favourite part of the trip is going to the Sea Worlds, Sea World is a place where we can see many sea animals.

There are many sea animal shows, we could play some games there too! When I was there, I saw a

penguin feeding presentation, and also I watched the Affinity Dolphin Show and the Seal guardians

presentation. I saw many sea animals like Rays, Polar Bear and more. It was fun! I was surprised

by the Rays, it is because it was the first time I touch Rays! I was at the Shark Bay, and we could touch

the Rays body but not their heads. It was so soft and cute! In this trip, I learned more English and know

more about Australian cultures. I used to be scared when I had to speak English. After this trip, I am

more confidence speaking in English. I've learnt some about Australian cultures too. When we eat, we need to

wait for others before we start eating together, but they won't wait.

At school, we have a buddy - My buddy is Anna, short for Annalisse Payne. She is a caring, funny and friendly person. She taught me to be more confidence.

I always afraid to raise my hand to answer the teacher. Anna always raise her hand to answer the teacher.

She taught me to trust myself. I'll try to be more confident in the future. I think I should speak

more English to be better in this trip. This trip is for me to learn English, so I think I need to

speak more in English.

Thank
You :)
