I think it is the most memorable and meaningful trip I've ever have. I learnt in school and play in Australia.

I really like going to the beach, because I love playing with the white sand. I built castel with my friend, diggle hole and write on the sand, and it is very insteresting. And I can feel the pure beauty of our mother-~~nature~~ mother. And I feel surprise anytime, I didn't read the back of the booklet, so I don't know what am I going to do next. And I feel surprise, everything is better than I expect.

In the school, Mr. Trent is my teacher, he is nice. ~~he~~ usually use games and videos to

teach us. And I've learnt culture about Australia. It was amazing and wonderful. Boomerang is a popular weapon used in the old days. And I know about their food, instrument etc. culture. It is fun.

Thank
You :)
