My favourite part of the trip was to visit the Currumbin Wildlife Sanctuary, because besides seeing many super spectacular animals and birds, I also had a very ^{sun} experience where I got to feed the ^{wild} rainbow lorikeets, which I had never tried ^{before}. Also, my other favourite part of the trip was to go to Groves Christian College and to spend time with my buddy, because I got to know more about her culture and lifestyle.

During the whole trip, the thing that surprised me the most was that we got to feed the ^{it} wild rainbow lorikeets, ^{was} super exciting and I hope I can do it again.

In this trip, I have learnt to not always do things individually, but as a group, ^{so} we can help [^] each other out sometimes.

Thank
you :)
