I really enjoy this trip to Australia. I enjoyed having fun with my friends while I can learned a lot about English, Australian culture and self management.

I like Brisbane and Gold Coast quite much. There is a lot of good tourist attractions that I can go. The view is nice and the local people are nice too.

My favourite part of the trip is going to the Currumbin Wildlife Sanctuary. I had fun seeing the different Australian Animals and feeding the Kangeroos and Rainbow Lorikeets. The animals are very lovely and adorable. What a memorable day!

I learnt to take care of myself and my roommates. I also learnt to be responsible. Just

like my buddy, Chelsea Hunter.

This is a meaningful and memorable trip. I hope I can go to exchange trips with my friends again in the future.

Thank
you :)
