

My Sharings

First, I'm glad to have a good host for me in these days, as they take care of me and took us to different places to visit. My most memorable experience is we had cook a dinner for our homestay. Luckily, they like it and praise us. Also, they took us to the beach and flea market, they share a lot of interesting things and the local food for us. Thank you for taking care of us in the twelve days.

Second, I need to thank you Christy and Heidi, as they are very thoughtful, and very friendly to us. In addition, and the two of them took us on a tour in Brisbane. Besides, they always gave us a lot of smile and a good memory on this trip, hope they can have a great day with us.
