

### My Sharings

First, I would like share with you  
about the Authentic Brisbane.  
My favourite place is Lone Pine Koala  
Sanctuary. I think Brisbane is a  
beautiful place.

Second, I would like to talk about  
Botanic Gardens. I can find the  
birds and flowers in the Gardens.  
I like the free public barbeque  
facilities most, it is very convenient.

Third, let me share with you about  
South Bank. I like the Ferris  
Wheel most, because it is  
beautiful. We went to the  
South Bank, we took a lot  
of beautiful photos.
