

My Sharings

This is the first time I came to England so before the trip, I found many information and diaries about this city, Brighton.

I found that, Brighton is a really good place, there are beach, theme park and some local streets. Therefore, I was extremely excited even though I just watching the photos.

The first day is a free day so we just met our host family, Sarah. However, I was very surprised that they are very nice and funny. Sarah wrote down all the informations we need, included Wi-fi. She also gave us a key, I was pleasure that she trust me. Her family, sons and sister are friendly, they always play with us and talk jokes. It is a really good memories for me as this is the first time I lived in a host family.

with This week, we have been to many places, Marina,

Royal Pavilion, Lewes, Seven Sister Country Park and Devils Dyke. I saw lots of things that we can't see in Hong Kong, such as the horizon of sea, it was a really good view! In the trip, we learnt a lot of history about Brighton.

The most memorable experience ~~in this trip was~~ is I met some new friends. ∴ I have more confident to chat with them and play with them.

Surely, my English is a lot better than before, as my lessons taught me a lot of vocabulary, school and sentences.

Lastly, I ~~think~~ I was very ~~stucky~~ ~~funck~~ lucky I can meet Angela, Roy, Meatball, Danny and other friends in this trip, they are funny and nice.

I am thankful that I got there with headmaster and Bridget, they always remind us what we need to do and take care with us! I want to say Thank you!
