I'm very pleased ~~to~~ as ~~a~~ one of the student in this England Study Tour. I've learnt some Spanish and French language from my classmates ~~in~~ at Dorothy Stringer High School. They're so interesting that I'm glad ~~happy~~ to chat with them. Thus, I have more confidence to speak English and talk to the foreigners ~~after~~ ⁱⁿ this study trip. Besides, I will miss this country ~~when~~ after I came back to Hong Kong. People in this country are ~~very~~ super nice and helpful. ~~They~~ My host family help me a lot in my daily life. I'm thankful to them. Also, I love the weather in Brighton. It was cool and dry, sometimes it was warm. It was ~~diffent~~ different ~~from~~ ⁱⁿ Hong

Kong. I hate the hot weather in Hong Kong. It made me annoyed that I didn't want to go out in Summer. I love this country, Brighton. Also, my memorable moment ~~is~~ was on Saturday, the day on London. On that day, I lost a train ticket which ~~was~~ ~~it~~ went back to Brighton. I was very scared and I found the place where I've gone wheather it was lost that place. Finally, I couldn't ~~to~~ find out but Ms Fan, ^{Joe and} ~~and~~ Abby helped me to solve this problem so I could get on the train. Ms Fan told me that We ~~no~~ need not to scared if there is Fan Fan's. I am grateful to them!

Thank You :)
