This is my first time to join the English Study Tour, and I ~~feel~~ looked forward to learn local English in Australia Cairns. Before the tour, I never heard the City Cairns, but after the tour, I'm ~~think~~ going to have a high respect with Cairns, the small town.

First I arrived this city, an enthusiastic man, the school manager went to the airport, to welcome us. I ~~was~~ ~~was~~ shock at that time, because I could felt the happiness. respect and high expression to us. And then, the first time to meet our homestay. I felt nervous before

I met host family, But after I saw my host mother, my worry flied. She was come from Sydney, she felt relax and she thought she ^{is} belong to Cairns. After all, I think Cairns is a very passionate place. Everyone in Cairns is nonexpert. After the tour, every single moment that talk and stay with host mother is my favourite and memorable moment. Her name's Maree, and she is a crazy women. She played with us just like friends. She also acted like our English teacher, to teach us how to do homework, how to remember the city position, and how to speak local English. But sometimes, she just like our mother, She cooked the lunch and dinner herself, no processed food, care about our health.

Cairns is a amazing place ! ! ! !

Thank You :)
