This is my first time to join the English Study Tour and go to Australia. I felt very meaningful and unforgettable.

Before going this tour, I thought Australian is white face but this was wrong. We went to Tjapukai Aboriginal Cultural Park. Visiting this park, I can learnt a lot of things of Aboriginal traditional. We can't find this on the internet. Aboriginal provide warm hospitality to us. They were very enthusiastic.

This tour also is my first time lived with homestay. In the day one, I arrived their house. I was shy. They chatted with me fortunately.

I can try a lot of Australia local food and traditional. My host family is very relax and they always play games and have dessert after having dinner. I can learn a lot of things from them include English and Australia's different things. They are kind and friendly. They always feel happy and said "Don't worry".

We also went to the Green Island and playing beach games with our schoolmates. We can relax and have a health tour. It can make us close and have a nice experience.

Although the tour was finished, I will remember the things that I learnt. This tour is my unforgettable experience.

Thank You :)
