This is my first time to join study tour. I think this is the interesting experience. Cairns is a beautiful city. It is the premier holiday spot for visitor from international destinations.

In this study tour, I had learn many things. Such as local culture, English tense, how to take care^{of} myself. I am so lucky that I have a good host family who is call Julie. She is very nice and organized. We have a clean place to live and delicious food to eat. I love to live in Cairns. Cairns have fresh air. Don't have high-rise building. The field of view in Cairns is very beautiful. At night it can see the star easier than Hong Kong, because it do not have a lot of light at night. Cairns is the coastal area so that it have many beach. If

we go to beach when it have a good weather, we will see a beautiful view. The unforgettable memorable moments of me is Julie take us to see the bungee jump. I really want to try the bungee jump. It was so exciting. After I promise that I will try to play bungee jump in the future.

In this 12 days I was very enjoy and happy. I like to travel. I can learn a lot of new thing in each travel. I like to try all the new things in the world.

Thank
You:)
