The ten-hours flight was really tired. But the HongKong's tour guide ~~are~~^{is} so friendly and lovely. When ~~the~~ my host in Australia came to airport to pick me to home. My nervourness was finally relieved.

My host ~~are~~^{is} really friendly and lovely too. She took me to eat oyster. Buy some fruit that I like. She's so nice.

The first day I went to lesson. My teacher's name is Claire. She is so funny! Didn't let me feel boring every moment. She will have a lot of interaction with the students and will not snub any of the student.

The itinerary is very rich and will not boring.

I very enjoy my australia study tour. My memorable moment is the lagoon beach day. Their beach's sand is very soft. The beach is very clean, doesn't like HongKong's beach. We played the volley ball together. I like it so much. If I have ^{one} more chance. I still like to go ^{to} Australia.

Thank You :)
