

My Sharings

In this long and happy study tour,
I have met a lot of friends
from different countries, eg Spanish
and Italian. Everyday have different
excursion, visit many different museums
such as National Museum of Scotland,
I like the camera gallery most,
there are different interesting arts
and I see the whole Scotland by
using the camera there. We usually
go excursion by train and bus or
on foot. The most unforgettable
activity is disco night, everyone
dance there happily and enjoyably.
The host family there is care of
us and very friendly.
