Reflection

I have been in Gold Coast in 2014, so I saw a lot of change of Gold Coast after 5 years. In this trip, I stayed in an Australian Family house. It can provide me a English environment to improve my listening and speaking skills. In additional, I have learnt many Australian slang in the lesson and by the homestay family. It is not only & funny but also expand my appreciation of Australia culture. Moreover, the homestay family brought me to watch their daughter's music performance in her high school. It was very memorable time to see the Australia high school life. I like this place because of the

good weather, beautiful view, & nice people, exciting activities... etc.

Thank
You :)
