That's first time to come Australia. It's nice to study and travel here. For me, this study tour experience is precious. No matter ~~the~~ ~~the~~ living with home-stay family or study with the one I don't really know.

Gold Coast is not big, but it had many wonderful view point. Tamborine Mountain is one of my suggestion that must not missed. It is lonely at the top, but it is well worth it to have a panoramic view of the beautiful scenery. The Movie World also a great place if you like exciting roller-coster. The biggest and longest roller-coster is here! I love it very much. For the people who loves sports and exciting, surfing must be the best choice. Since the surfing lesson, I love surfe. Gold Coast is really a paradise for relaxing.

Perhaps, Zara is the one I miss most when I back to Hong Kong. Zara is the daughter of my host mom. During the 14-day trip, she was almost the person I communicated with most. We played together, had dinner together, and even had her do my makeup. That's the most memorable moments for me. Of course, my host mom, Mariela, was very kind. It was an honor for her to prepare three meals a day, and even to choose my food more carefully when she knew I had diabetes.

It's my pleasure to join with this greatfull study tour. Thanks to myself that can be hold the opportunity. I really look towards for the other stud tour now.

Thank You :)
