I felt so graded that I can took part in study tour. We studied in a comfortable place. And there are many students from other countries, so we communicated with other students and also learned other countries' cultures.

Beside, we went to a lot of famous spot in Gold Coast. For instance Surfers Paradise, Sky Point, Dream World and Movie World etc. One of my favourite activity was surfing Lesson, it was because I've never surfing before, so I felt very excited to this activity. Then, ~~we~~ I felt very impressed to the Sky Point. When we stand in the top of the tower, we can saw a

fabulous scenery in 360°, the was great! You can ~~see~~ saw the whole views of the Surfers Paradise.

Anyway, the whole trip for me was amazing, I could played the activities that I haven't play before, I could watched the fascinating scenery. The most important thing that I talked a lot in English and my English has improved a lot.

Finally, I just want to say thank you for all the people, my teacher, leader and my classmates. That would be my unforgettable memories in my life!

Thank
You :)
