Reflection

In this 14 days Australian Study Tour, I visited many places, such as Skypoint 360°, Surfers Paradise, Currumbin Wildlife Sanctuary, The Wax Museum, Dreamworld, whale watching, Mt. Tamborine, Superbee Honeyworld and More World. I love this country, because the weather is good, the food is delicious, and the city is clean.

I have not been on any study tour before. It makes me feel very regretful. Through this study tour, it had made my life richer and I understand myself more. I also gained some knowledge together with a group of classmates through this tour.

I improved my confidence in speaking English. I improved my grammar,

oral and writing through this tour. I changed my living habits, because in Australia I slept very early. I hope I might keep a regular daily routine and good habits in the future.

Thank
you. :)
