

My Sharings

It has been a good experience to have lessons with the students who are from different countries. I've met lots of new friends and had fun with them and the teachers during the lessons. Although most of the afternoon activities are visiting Museum in Liverpool, I still enjoy since there're souvenir shops in those Museum. I think film night, karaoke night and disco night were brilliant ideas. It was really exciting. But I think if ~~if~~ the night activities can last for 3 hrs would be better. In addition, I think Saturday activities should be moved to weekday. Since the attraction spots are very packed on weekend. Finally, I think the arrangements of flight are perfect. I enjoy the life in the homestay and the college.
