Reflection

~~今次我去了奧克蘭12天英文交流團, 奧克蘭跟我想像中
有很大差別~~

In this 12 days study tour, I thought this trip was meaningful to me, even we went to other country to study, the classmates in that school were very warm and nice. Even we were come from different country, they still treat me good. This was a deep expression for me, also this is the memorable thing to me. I am very happy to meet them. I hope we can meet again. And, I like this country, Auckland is such a amazing place. Even people and view, all is good.

In this trip, I learnt some Auckland history, traditional. Also, in AEC I learnt many types of English. My favourite place in Auckland is Mission Bay, its can take a lot of many photos,

also the view was good.

So, I think the memorable things for me is in AEC with my classmates. ~~They~~
This was affect me a lot.

Thank
You :)
