I am glad to share my study Tour experience. In this trip to New Zealand, I had learnt plenty of things. This study trip is great. I enjoy the experience. It was a memorable moment for me. New Zealand is quite different to Hong Kong, for example, the environmental, air, and the people in here is more friendly to each other, I like New Zealand more than in Hong Kong, the air is more clean than Hong Kong. In this two weeks New Zealand Study Trip, I had learnt a lot of thing I didn't thought. Such as I had learnt more different knowledge, improve my own's confidence in talking with different people and exercise more my ~~an~~ English skills from this trip, I can use the confidence and English skill in my ~~of~~ English and

Chinese ~~in~~ oral skills. In this two weeks trip, I have many memorable moments in this study trip. The most memorable moments is that the last day, we can shopping with out any teachers. following, and the other moment is that the day we went to sandboarding, is a memorable moments that I have ~~...~~, and the time climbing day that the ~~...~~ almost I slide, I've play it it make ~~...~~ me had such memorable moment during this study trip in New Zealand. I am every enjoy the great time in New Zealand here. I hope future can have time to visit New Zealand again's in the future. ~~...~~ However, this all are memorable moment, but it can't be count as this, In my opinion, I think this two week in New Zealand ~~is~~ all are memorable moment that I have when I was young and until now.

Thank You :)
