It's a great experience for me. The tour is fun and I haven't go the Australia before. So I'm very excited about the tour.

During the lesson, I had learn ~~an~~ about the history, geography and wildlife of Australia.

Kookaburras — beautiful birds with blue wings on some of them. Aka. Dacelo, I like ~~this~~ Kookaburras so much.

Golf lessons are memorable for me. I never try golf before. I though golf is an easy sport, but I was wrong. The golf club is more heavier than I though, and I found out it's not easy to hit the golf ball correctly. Golf is intresting too.

Thank
You:)
