## Reflection

I think my Study trip is very nice and I love Australia very much after study a lot about Australian history, Geography, wildlife.

I think Australian are really kind. When we said "Can I" or "Can we do" my host family always answer "OK." I think they are really kind. They will care of us, help us to wash clothes and talk with us in order to improve our spoken English and our listening.

I learnt how to play golf. Golf was a interesting sport. I like it very much, maybe I couldn't hit the ball, but I enjoyed to play golf. when I play golf. I thought I am free, and have some power!

I love Australia, Because Australia is a kind country and there is a lot of animals, we can

see some kangaroos on the way to school. That was an exciting experience. We got up early every day. in order to find some interesting animals so, I love Australia.

Thank You:)
