Reflection

In fact, this is the first time for me to join study tour. Before the study tour, I am a little bit scared. Luckily, the pre-departure seminar help me a lot.

In the study tour, the most memorable thing is kayaking. It is because this is the first time for me to kayaking. Although I felt tired, it is worth to do it. It is interesting and fun.

Also, I meet a friend called Roderigo. He come from Spain. He is nice and kind. And I tell ^{him} a lot of funny things that I saw at Hong Kong. It is happy that I meet a friends in England.

Furthermore, our host family are kind and nice. The breakfast is delicious. Also, I ate fish and chips

for dinner. It is yummy. Beside that, the view in Brighton is beautiful, especially Seven Sister, that is a wonderful places that I never seen before.

To sum up, I learnt how to become more independent. Also, it teach how to overcome the challenge. In addition, it also improve my English and broaden the horizons. Therefore, it is a great experience for me.

Thank You :)
