Reflection

at least 150 words!

In those 15 days, I learnt about many new things such as Australia culture, new keywords and food in Australia. I thought Cairns was a wonderful place, there were many shopping centre that I can buy souvenirs.

In those days, I went to see a lot of Australia animals, I thought they were cute. I like the Crocodile Park most, because I can saw I lot of crocodiles and kangaroo. The most interesting thing was I could have a chance to be close to the animals and feed them.

I really enjoy this trip, because I could went to another places that I never been to, so I felt excited. Green Island was a beautiful place where

had clean sea water and sea animals. I thought this was a good trip that I can be more brave. After this trip, it made me memorable more about Cairns. Therefore, I hope when I have chance, I will visit this trip again.

Thank
You :)
