During this 15 days, I've learn many things from our teacher Ms. Leanne in the english lesson. She taught us what's are Australian slangs, the Australian animals and a lot things about Australia. And ~~the~~ principle in here is nice, too! He showed me the 'green ants' in the school garden, he told me ~~he~~ ^{he} has bitied one and he said it tastes like lemon! Eww, it's discusting.

We've went to a lot great place in Cairns as well. Such as Green Island, rainforest dome, Maritly Crocodile park. It's super beautiful in Green Island, we all got a nice shot of the spectacular view there. Also, I had a nice play in bowling, too!

Every day, I got a tasty ~~pat~~ packed lunch from my host family. She ~~drove us~~ ^{drove me} to school and drove me ~~to~~ back home with a lovely smile. She's as kind as my mother. ~~¶~~ We've watched a film of ~~the~~ the life that Olivia Newton John ^{had} until

twelve o'clock at night! We talked about the movie review during the advertsing. When I say something with a wrong grammar, and she will teach me how to say the sentence with a suitable grammar.

The most unforgettable moments ~~is~~ was I got my phone wet in Palm Cove, and my phone ~~to~~ couldn't use any more. I almost freaked out and I've use a lot money to buy a new phone.

In conclusion, I've had a great, ~~the~~ memorable in here, Cairns. We ate different delicious food and we spoke different language from Hong Kong. Everyone here are nice, helpful and polite. The animals here are lovely. The transport here are convienent. The most important is there ~~are~~ no pollution in Carins. Theres a lot good things about Cairns, there's too many goods that I couldn't list all of them.

Thank
You :)
