Reflection

at least 150 words!

At this 15 days, teachers, schoolmates and I go to many place. Such as Tour of Cairns City, Tjapukai Aboriginal Cultural Park, Palm Cove, Cairns Historical Museum... That's very excited and make me feel happy!

Palm Cove is a beach, very beautiful! I take many picture of there. At Cairns Rainforest dome, I saw many animals and take photo with koala, it's so cute! But the pictures is very experience to me.

I learn a lot of about Australia. There are seven states, Cairns is in Queensland. There are many most famous animals and yummy food! But Australia's things all is very expensive.

About my housefamily, one is call Jo, and the other one is call Keith, they are

very friendly. They will take care of my feeling. Every night, they will took to me, so I can improve my English ability! In the second morning, they gave me some vegemite with bread to eat. It's too salty for me, but that scene is fun and made me felt happy! Jo's cooking is very good, Keith always took to me, I like them very much!

I want to say thanks to my teachers, Mr Lau and Ms Domingo, leader yanny and my homemates Zoe, they always help me! Thank you very much!

Thank
You :)
