Sixteen days of Ireland journey finally over. I was really enjoyed it. This is my first time away from Hong Kong to foreign travel. All the new things are novel for me, such as Irish culture and transformation of living environment.

This time I lived in a homestay. host family are very kind and friendly. I can communicate with them easily.

I studied in Sutton Park School. The school is very big. I thought the football field of the school is more bigger than my school in Hong Kong. The exchange students there

very friendly and I met a new friend Giulia. She is so nice and she always helps me on my homeworks. Anyway, this was a wonderful study tour. I hope I can visit Ireland again.

Thank
you :)
