In this study tour, I learnt many different knowledge about drama that I didn't learn from Hong Kong. Moreover, I built up my confidence and know more friends in the drama classes.

Also, I know more about the culture in Canada. And the Canadians are really easy-going and helpful. When I asked for the direction, they ~~are~~ were kind to answer and even brought me to the destination.

Furthermore, the places here is very beautiful, like the beach, and there ~~are~~ also many animals walking on the street, they are very cute! And the decorations on the street show that Canadian loves their country ~~a lot~~ so much.

I like my home stay family so much. They always care about what we need and help

us. I enjoy playing with the homestay family members so much! We played janga and lego et.c. It ~~is~~ was fun! They were very nice. And they taught us a lot about the daily live in Canada.

I love the environment of Canada and I would like to ~~come~~ go Canada again. ~~It~~ This trip brought ~~to~~ me a memorable ~~the~~ experience.

Thank
You :)
