Reflection

I came to Melbourne in 28th June. I stayed here for 14 days. From Monday to Friday morning, we always had English lessons. I learned a lot of things, such as culture, food and famous buildings in Australia. I also ~~learned~~ improved my English.

The first day, we had a Melbourne City Tour. We went around the city and knew more about Melbourne. People are very friendly. The second day, we had a Melbourne Street Art Walking Tour, there are different kinds of graffiti. I think the street art was great. The third day, we went to The Great Ocean Road. Twelve Apostles is very spectacular. The weather was very cold but we enjoyed the sea. The forth day, it was free day with homestay. We went shopping and ate some tasty food. The second week, we also visited many famous places, ~~inclu~~ ~~incuted~~ included National Gallery of Victoria, St Patricks Cathedral, Melbourne Museum,

Eureka Sky Deck and Melbourne Zoo. My impressed place is Melbourne Zoo. There are a lot of different kinds of animals, such as koala, kangaroo, wombat and ~~meerkat~~. They are very cute.

According to this tour, I ~~am~~ not only learned English but also learned cultures. It is a good ~~experi~~ experience for me.

Thank
You :)
