~~I was not a bit~~

Hardly could I imagine how wonderful is England before I saw the stunning scenery in England. This studying trip really changes me a lot.

~~When I arrived Oxford~~

The place of class of this studying trip was in Oxford. There are so many historic buildings and they provided a vibrant vista. I felt really delighted that I could have a chance to have lessons in Oxford. I met people from different countries during this studying trip and I learnt a lot from it. It is of paramount use for me to enhance my communication skills.

My favorite part of this trip is

disco night. Dancing can really make ~~diff~~ people from different countries to be "one country". We enjoyed dancing and singing here. ~~People in disco night is~~ ~~all and~~ I could meet a lot of new friends too.

After visiting England, I would like to explore other cities with my family or friends in the future. Goodbye England!.

Thank You:)
