## Reflection

The study tour is very well. First day, we went to see the view, there can saw very beautiful view in Australia. then, we went to the Queensland Science Museum, but I am not interest in science. When we have the free time, I went to the Art museum because is next to the science museum, can see art picture, that great!

On saturday, I visit the Surfers Paradise, there have many shop, and I buy some souvenir in there. Then, we saw the koala, kangaroos some australian animals, plus, also watch the aboriginal dance show and flight bird show. that great!

Sunday, I went to the supermarket with my homestay family. they all are nice and friendly! At night, I ate dinner with their daughter and their grandson. Monday, we went to the Movie World, that is my

favorite place in this tour. Because there have many interesting mobility game, like roller coaster, but my friend is very timid. she didn't play this. Also, we watch the 4D movie about Lego. I felt excited because when I watched the movie, the image look like real.

Tuesday, we went to Queensland University to learn, that good!

On Wednesday to friday, we stay at school to learn some Australia english, some english is still different, like thank you, they would say Cheers! or Ta!

On Monday, I start to study with my buddy, my buddy is nice and kind, she always talk to me. Australia's students they all use the computer in the lesson, that good!

I learn more Australia english, and I know some word is different with HK and AU. I love this study tour, because the tour leader, and ESL class teacher, they all are helpful and kind, they teach us and help us a lot!

Thank You:)
