In the study trip, I have been many famous places, such as Surfer's Paradise, movie world, Spring Brook and Currumbin Wildlife Sanctuary... That are great experience for us.

In Surfer's Paradise, we saw a big sea view in there, also we bought many souvenirs like kerry, local food... And the movie world, I played the roller coaster, this make me scared! The most happy thing is we saw the local animals. For example, kangaroos, koalas, ~~combare~~ wombat and others... This is the first time for me to see this kind of animals. I felt very surprised and new.

Today, was the last few day, I felt reluctant. I love this place very much, our homestay is nice to us. I love

them so much. Otherwise, the memorable moment is having sightseeing with homestay family. I felt so warm.

The last, I learn the speaking skill from talking with others, also it makes me more brave.

Thank You :)
