Reflection

* Please write in English

During this study tour, I learnt more about the ~~communi~~ communication skills of English. It lets me have more ~~conf~~ confidence to talk to the others by using English.

Besides, I learnt lots of culture of Australia. For example, the animals ~~at~~ Australia have and the Aborigines. The most meaningful knowledge I learnt is the slang which use by Australian. In Hong Kong, we didn't have a lot of time to communicate with others by using English, we just know how to write and have an exam in English. Therefore, we don't know what should we ~~use~~ use during the communication with local students. However, before we met ~~of~~ our ~~buddy~~ buddies, Mr. Sandgren * had taught lots of slang for us and makes us can ~~can~~ talk to them by using their own language.

The most memorable moments for me is ~~is~~ the bird show in the Currumbin Wildlife Sanctuary and Movie world. We ~~at~~ saw many kinds of bird in Australia, the birds fly over just

up on our heads and it's amazing. At the last of the show, we also saw the ~~not~~ Eagle which is famous in Oz. It is stronger and make me ~~sur~~ surprise. Also, the Movie ~~land~~ world had the tallest roller coaster in Oz, it is spectacular. I played once and it's wonderful and exciting!

Thank
You:)
