This is the first time I visit Australia.
This country let me feel so special because
the students from Australia they are very free
on the lesson. It's different to Hong Kong.

In this study trip, the most memorable thing
is visit the wild life centre to see the
koala bear and kangaroos. I like this country!
I've learnt about the history of Australia,
the local culture and how to communicate
to the local people. Besides the students, The
most interesting place is the Hinze Dam.

It's a good place to let the visitors come
and see because all of the Queensland's water
is come from the Hinze Dam. I like the Movie
World, It's very big and there are many
different kind of roller coaster to let the

adults and kids to play, I like Australia!

Thank
You :)
