Reflection

This is the first time for me to join this kind of study tour, it is a unforgettable and impressive experience and I love it so much.

In this study tour, I experienced the studying life in Auckland, it is very different with Hong Kong's, including the course, the timetable, etc. I can feel that the student in Auckland are nice to me.

My buddy is a friendly and cheerful girl, she love dancing, music and drama. When she was dancing, she enjoyed it so much and I was affected by her enthusiasm. I hope we can keep contact after the tour.

On 17th February, 2018, we visited the Auckland museum, we watched the Maori show too, we have learnt more about the culture of Maori. We also visited the Zoo, we saw a lot of animals, it was great.

I love Auckland, I have a lot of good memories here, I believe that I will miss here and I will come to Auckland again.

I can't forget the time we spent with my classmates in Auckland, we both have a good time.

Thank
You :)
