In these days in Australia, my roommate and I have a lot of experience. At the beginning, I participated this Australia study tour, since I wanted to learn more English, improve my grammar and visit some famous architecture, such as Sydney Harbour Bridge, and the Opera House and the Manly Beach.

In this tour our teacher, Miss Carley taught us some traditional food in Australia and special words, like 'Loo', 'Barbie'. She also took us to the famous landmarks. The view was very great on the Harbour Bridge, my roommate and I are afraid of heights, we were scared while we visiting the bridge, but I still took some photos on the Harbour Bridge.

Yesterday, we went to the Blue Mountain, the views were great up on the mountain. Actually, I was

looking forward to visit the Echo Point, but it was too windy, I could not hear any echo for the hill, so I was a bit disappointed about that.

In this trip, we knew about Australia history and also the communication with other people. In every lesson, Miss Carley need us to do some presentation. Throughout these practices, I think my speech has improved. The time past quickly, we will leave Australia the next day, I really miss my family, the mix feeling in Australia is very precious. I think I will visit Australia again in the future.

Thank
You :)
