Reflection

This is my first time to leave home alone and go to Australia. At the begining, I am fear to go to Sydney because I am not good at English. But after the first day in Sydney, I find that Australian are very nice, such as our English teacher, Miss Carley.

We go to many Australian landmarks such as Opera House, Harbour Bridge, Darling Harbour, Blue Mountains, Sydney Tower and Bondi Beach. The most deepest impression is Bondi Beach because we need to form in a group and visiting foreigners. This is my first time to visit foreigners. During the visiting, I am tension, I almost forgot to ask question, ha ha!

Except visit Australian landmarks, we need to have an English lesson in the moring. Our English teacher, Miss Carley gave us some exercise to do. I think

Australia's education method is better than Hong Kong's method education.

In this trip, I meet 20 new friends, include our leader, Mavis. This is an unforgettable memory. I hope that I can meet you guys in the next exchange tour and go to Sydney again

Thank You.:)
