After this fifteen days study tour, I felt very happy because I can finished the tour smoothly, but I also felt unhappy because I have to leave Sydney soon. I will miss the people, the beautiful place, the unique transports and the fresh air in Sydney that I have never seen and felt before.

The place in Sydney that is very amazing. The Sydney Harbour Bridge is very huge. The Sydney Opera House is fascinating. On weekends, we left Sydney and went to countryside to do some sightseeing such as Blue Mountain and Oakvale Farm.

The most unforgettable place in Sydney is the Sydney Opera House. The feature of the Sydney Opera House is very interesting. It is very attractive.

Besides went sightseeing, we also have our English

lesson, it was very fun in class. Our teacher Ms. Carley, she is quite nice. After doing many reading comprehension and presentation, I felt my English is better than before. My English grammar is more better and my vocabulary list can write down more word.

In conclusion, I think this trip is successful. I was talk more English in Sydney than in Hong Kong. Sydney this city is very beautiful. I think this is a rare opportunity, I hope I can visit Sydney one more time.

Thank
You :)
