

My Sharings

I met a lot of new friends during this trip, Masha, ^{and Daniel} from Russia, Valentin from France, Jorge, Pablo, Anne and Lucia, Maria from Spain. Also, I love going to the World Museum most because I love its topics. I have so much fun in this trip. I have learnt many new things about UK in my lessons but the most important thing I've learnt is ~~that I used~~ ~~to know~~ how to communicate with others bravely. I really love this trip.
