

My Sharings

I really enjoyed in these
12 days in Liverpool.

People there are very
friendly, if I need help they
will help you immediately, no matter
what they're doing at that moment.

~~My host~~. I also love
chatting with my ^{host} host

family, Emma. She told
me a lot about the history
and culture of Liverpool. And
she treat us whole-heartedly.

In the lessons of Liverpool
school, I met a lot of
classmates who came from different
countries, ~~and we still keep~~
~~in touch~~ They made me have
Confident to speak English in front

of the people.
