

My Sharings

I am trying to make a memorable shirt for keeping memory. I haven't done it as now I am writing down this note.

I am trying to draw some special view on my shirt. And ask other people, my ~~teammate~~ teammates, my classmates, my teachers, my guides to sign their signature on it. This will be valuable, I do really think so.

I hugged my homestay-mum when I leaved the house. I told her I will post something to her & keep in touch. I don't want to waste this chance.

Liverpool is a nice city, with different ~~build~~ building style with Hongkong. Different weather, different life style, different people. It was great to ~~experient~~ experience all of these.
