

### My Sharings

I enjoyed the trip to Conwy Castle very much and I think it's really amazing, so I am going to introduce the Conwy Castle trip to

Conwy Castle is located in the north of Wales, it was built by Edward I, between 1283 and 1289. Over the next few centuries, the castle played an important part in several wars.

I feel so lucky to have visited Conwy Castle since it is really amazing. I could see the view of the town around and the sea as well, that's a perfect picture and one of the best views that I've ever seen.

There are some towers which are connected by a wall, I walked on them I spent a good deal of time in the castle because

I could see different views from every directions.

It's a smart design in the ancien style, since there are some hills and sea near the castle, they're not just forming a beautiful picture, but also prevent the enemies from getting in the castle.

Conwy Castle is really a nice place to visit and I had an unforgettable experience in it. Therefore, it's worthy to have spent some time to enjoy myself in it. So the conclusion is that I am going to suggest my friends to visit Conwy Castle because of its wonderful sight and its unique location.
