

My Sharings

In this two weeks, I enjoyed speaking english with each others. it was a chance to improve my english. I have met a lot of new friends there. they came from different countries, I was taught a lot of cultures of other countries by my classmates. During this trip, the most enjoyed place was the Crosby Beach, We played Rounders in the Beach. It was a wonderful game with wonderful weather. On the contrary, I didn't like to visit to the museum, because it was boring. but I also can learnt a lot of Liverpool's history there. I love my homestay very much. they were very nice and careful, I felt warm. In my homestay, there ~~was~~ another student who was older than me. he was geordian. but his english was very well, he was very tall and strong. he is like my brother, he always

take care for me, I love the food in homestay, it was very delicious, I miss my parents very much, but I miss Liverpool too. it let me grow up. I have learnt a lot of things there, such as the living style in Liverpool, the food in Liverpool, and a lot of things that I can't describe. I love the lessons, "Suzy" and "Becca" taught me a lot of things, thank you very much!
