Reflection

* Please write in English

Liverpool is an interesting city in UK. I have learnt a lot in Liverpool, for example the Beatles, Liverpool Football Club's history, visiting Cathedrals, Jaguar Land Rover Company, interview in the Crosby Beach etc. These have helped to improve my English in both communicating and writing tasks. Our teacher in the Liverpool School of English, Helen, always try to help us enjoy the lessons in some attractive way. She is a nice teacher.

In London, it was a long journey from Liverpool to London, but it was worthy. Tower of London is a ^{most typical} scenic spot in London, which make me learn more about the history of London.

The most unforgettable scene is visiting the two Cathedrals in Liverpool. The old fashion building style, with colourful and patterned windows, circle

shape, ^{really} surprised me

I like UK, especially Liverpool, I ^{wish} to join these type of trips again if I had the chance.

Thank
You :)
