## Reflection

In this trip, I learnt a lot of things. We had classes every morning, in these lessons, I learnt about space, the Beatles, diseases etc. After having lessons, we went to different places, such as, the Liverpool Football club, The Beatle Story Museum, different Cathedrals etc. My favourite visit is going to the crosby, the view there was magnificent, rejuvenating air and clear water. We all took a lot of beautiful. I hope we could stay longer there. In this tour, we visited a lot of different museums, the Beatles Story was the most interesting. The Beatles is a really famous band, after visiting the museum I know more about them. I really like Liverpool!

there are different shops and significant museums this trip will be an unforgettable memory.

Thank You :)
