## Reflection

This is my first time to visit the U.K., I was overwhelmed and excited. If I have to use one word to describe the trip, I would use the word "marvellous". In the trip, I met my nice host - Doreen. She is a doctor with pile of work to do. Nonetheless, she tries her best to take care and accept us. More importantly, we met students from other countries. The two boys from Oman, Saudi Arabia, Mouyad and Mowran. They are fun and helpful. We played card games every night. However, when we start to become close and friendly, Jake and I had to leave the host to London which is sad.

In lessons, we learnt cultures and history of Liverpool, this provides us with more information

When we have excursion in the afternoon.

Last but not

least, I had a wonderful time in both London and Liverpool. I am looking forward to visiting the U.K. in the future.

Thank You :)
