In this study trip, I had a really great time with my classmates and teachers.

I think it is a really good experience to go to Australia. Also, it was my first time to go to Australia. Australia is a really fantastic place. The people there was friendly and nice.

The culture there was amazing. I like Australia very much 😊. In this trip, I learnt a lot of things, such as the culture of Australia, the animals in Australia. Also, I met many friend in Australia too.

In all of them, I like my homestay most, I think having a homestay was a fun experience for everyone. I think my homestay is friends. Me and my roommates played HIDE-AND-SEEK with the big son George and the second son Maisen together in the evening. We chatted with the homestay happily. When I was sitting on the car with my homestay on the last day. I almost cried. I don't want to separate with them. I gave a big hug to my homestay. I will

miss them and don't forget the time that we lived together.

Thank
You :)
